

AVIATION PROGRAM ASSURANCES

adoption of an airport zoning ordinance or interlocal agreement with another local government body having an airport zoning ordinance, consistent with the provisions of Section 333.03, F.S.

b. The Agency assures that it will disapprove or oppose any attempted alteration or creation of objects, natural or man-made, dangerous to navigable airspace or that would adversely affect the current or future levels of airport operations.

c. The Agency assures that it will disapprove or oppose any attempted change in local land use development regulations that would adversely affect the current or future levels of airport operations by creation or expansion of airport incompatible land use areas.

6. Consistency with Local Government Plans

a. The Agency assures the project is consistent with the currently existing and planned future land use development plans approved by the local government having jurisdictional responsibility for the area surrounding the airport.

b. The Agency assures that it has given fair consideration to the interest of local communities and has had reasonable consultation with those parties affected by the project.

c. The Agency will consider and take appropriate actions, if deemed warranted, to adopt the current, approved Airport Master Plan into the local government comprehensive plan.

7. Consistency with Airport Master Plan and Airport Layout Plan

a. The Agency assures that any project, covered by the terms and assurances of this Agreement, is consistent with the current, approved Airport Master Plan.

b. The Agency assures that this project, covered by the terms and assurances of this Agreement, is consistent with the current, approved Airport Layout Plan (ALP), which shows:

(1) The boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the Agency for airport purposes and proposed additions thereto;

(2) The location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars, and roads), including all proposed extensions and reductions of existing airport facilities; and

(3) The location of all existing and proposed non-aviation areas on airport property and of all existing improvements thereon.

c. The Agency assures that it will not make or permit any changes or alterations on the airport or any of its facilities that are not consistent with the Airport Master Plan and the Airport Layout Plan, as approved by the Department.

d. Original Airport Master Plans and Airport Layout Plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Department.

8. Airport Financial Plan

a. The Agency assures that it will develop and maintain a cost-feasible financial plan to accomplish the projects necessary to achieve the proposed airport improvements identified in the Airport Master Plan and depicted in the Airport Layout Plan, and any updates thereto.

(1) The financial plan shall be a part of the Airport Master Plan.

(2) The financial plan shall realistically assess project phasing considering availability of state and local funding and likelihood of federal funding under the FAA's priority system.

(3) The financial plan shall not include Department funding for projects which are inconsistent with the local government comprehensive plan.

b. All project cost estimates contained in the financial plan shall be entered into and kept current in the Joint Automated Capital Improvement Program (JACIP) online website.

9. Airport Revenue

The Agency assures that all revenue generated by the airport will be expended for capital improvement or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the
